Leominster's City Wide Respect Life Committee invites you to a dynamic talk by Dr. Mark Rollo on the prophetic nature of Pope Paul the VI's Encyclical "Humane Vitae". As we approach the 50th Anniversary of its publication we can learn about how Pope Paul VI predicted this culture oriented towards death.

Dr. Mark Rollo is a long time resident of Fitchburg and has been practicing family medicine for over 20 years. He graduated from Loyola University Stritch School of Medicine. He is an ardent pro-life doctor and is very influential in the state-wide debate on the Physician Assisted Suicide and the negative impact it will have on the medical profession and society.
